From P28 - ANDERSON, BRADLEY D.___ 02/18/2017__ 19:07_____ _____
I spoke with Julia who stated that Steve was paid $250 to put in a door for her but now he hasn't put the door in. I advised her it was a civil matter and there wasn't anything that the police could do since it was a civil matter. She still requested I call him. I contact Steven by phone who stated that he has tried to put the door in on multiple occasions but Julia is "out in left field" and will never agree on a time. He stated he was trying to help her out because he feels bad for her. However he stated he wants to refund her $250 and be done with her. He asked if they could meet here at the PD to exchange the refund check because he was unsure what she may say if they meet somewhere not recorded. I advised him that they could make an arrangement with each other to meet here and we could document the exchange. He thanked me and stated he would be setting up the meeting with Julia.
